1. This is the time, moment that all becomes clear to me, not; you, that me is, not, you being separate; but us being one now share all, not immediately but foundation giving/building reveal all so soon. This is it/now, the now is that is, was, and is again. In the prophets of old words, I shall see the sun shine in my beloved. Chapter and verse find and be delighted. I love you all. Amen.

2. This is the day, time, moment, hour; and who can see will be amazed, not; astonished; and confounded not, some will, but having me Christ/the rock, become the rock Christ if in surrender to chaos not seek/surrender to peace/me. I love you.

3. See what I have said/am saying this day cataclysmic. And who can see waves roaring/rushing toward them now as even this read is? I love you.

4. Who can see forces many cataclysmic-ing against them but powerless are against my standers, my word-ers, who know my word that I gave them day after day, them ingesting it, becoming my words that I gave them. Dynamically I gave it/them. In relationship/wooing I released them. I gave them my all; and all demised, not; some ingested/became me. I love you all. Amen.

5. This is the time. Sea, ships; where are the masters/headmasters of? Steering? Who? I love you. Into shame, not; but many were/will be. I love you not, not; I love you all. This is the day hour; and who can time tell nothing, but telling time overcome it? I love you.

6. This is me to/in me, to me in me, of me to become/hear me now and forevermore. Amen.

7. Enjoy this service/my people, my lovers who love me.

8. Enjoy all and share profusely my laughter/joy in my body expanding my body; contracting not; all me/of me expands; nationalities and races unseen/uncomprehended, and all are released not, but captured not, but captivating not; surrendering to my lover,s that love me showing me love, first time personified, reality truth'd. to them. I love you. I love you for it. I love you always. And now, I say again. I love you all.
